Ejercicio 5. (Calificación máxima: 3 puntos)

Write about 150 to 200 words on the following topic.
Is it important to save traditions? Give your opinion.

Solución:

Nowadays traditions are usually topic of discussion. Even if they are defended by a numerous part of the community, most time they are found out-dated or obsolete by young people.

On the one hand, traditions help to keep alive the culture of ancient societies. Continuing with old costumes is sometimes a good way to carry popular knowledge from one generation to another. They are even a symbol of cultural identity, some of them turned into cultural heritage.

On the other hand, some of these traditions are considered out-dated or inappropriate these days. Old costumes might be thought to be against modern ways of thinking as they were set up a long time ago. Maybe it could be helpful to lightly modify traditions in order to adapt them to current times. Anyway, we need to find the balance between today thinking and old ways.

In conclusion, traditions might be both cultural goods and obsolete costumes to be reformulated.
