MATERIA: INGLÉS OPCIÓN A

1.- Are the following statements TRUE or FALSE? Copy the evidence from the text. No marks are given for only TRUE or FALSE.

a) Experts consider that there are no obstacles for the development of intelligent homes. It is false because it is said: "There are, however, barriers that prevent the smart home industry from taking off".

b) Distant identification of people has existed for a few decades now. It is false because it is said: "Another recent development can verify an individual's identity with a quick glance at the system from a distance."

2.- In your own words and based on the ideas in the text, answer the following questions. Do not copy from the text.

a) Describe two functions the new wristband mentioned in the text may carry out.

The new wristband can recognize the identity of the person who wears it and connect with other technologies like telephones or laptops, to perform actions the owner chooses.

b) Describe two ways in which future homes can serve you.

Future homes can help you saving time and effort because they always offer you ideal temperature and lightening but they also give you feeling of safety against intruders because the system only works for a specific I.P.

3.- Find the words in the text that mean:

a) visitors (paragraph 1) guests

b) instructions (paragraph 2) commands

c) attributes (paragraph 2) features

d) near (paragraph 2) close

4.- Complete the following sentences. Use the appropriate form of the word in brackets when given.

a) Over the last ten years or so, face recognition has become **(become) a popular area of research. No doubt, this will be one of the** most **popular technologies of the**

future.

b) **If scientists** had worked **(work) harder, smart authentication devices** would have been used **(use) in the last Olympic Games.**

c) **The next Biometrics Conference,** which **will be held in Tampa, aims at** promoting **(promote) information exchanges between the government and outside entities.**

d) **Complete the following sentence to report what was said.**

"**Your voice recognition system is not working at the moment**", said Peter.

Peter warned Sarah that her voice recognition system was not working at that moment.
